Research Program**

**Noon-1 p.m. • October 30, 2006 • Executive Plaza North
Conference Room G • 6130 Executive Boulevard • Rockville, MD**

Thomas A. Sellers, Ph.D.

Associate Center Director, Cancer Prevention & Control
H. Lee Moffitt Cancer Center & Research Institute
University of South Florida

***Genetic Epidemiologic Approaches to Elucidate
Ovarian Cancer Susceptibility***

The Epidemiology and Genetics Research Program (EGRP) manages a comprehensive program of grant-supported, population-based research that brings to bear the expertise of scientists to increase our understanding of cancer etiology and prevention. Scientists from throughout the United States and internationally are supported.
